1) Comments on course content:

- What a common sense approach to a perplexing topic. Thank you! Arigato
- Very informative, great information and presented well.
- Great course.
- Great! I was pleasantly surprised by how much material was so beneficial to me and my rural area!
- Very helpful!
- Made an effort to make limited info last to fit the course time.
- Great job. Very informative.
- This should be a longer more in depth, especially in the current times. Great class and material.
- Great class – needs to be accentuated the more we participate in the global economy.

2) Comments on course instructor:

- How lucky we were to have your hands-on practical experience to draw from.
- Enjoyed class and content.
- Amazing! Great job. For being an after lunch speaker he had no problem keeping my attention!
- Fantastic! My favorite class by far along with Finance. Jay is great & very informed on the topic. It's great to hear his experience and tips on doing business internationally.

3) Comments if you marked a “Disagree” or “Strongly Disagree”:

- Jay is a wealth of knowledge & conveys it well!
